1. 3 Days in Berlin

BZ Travel English Study | video_id: vMYxjauZeF4 | 19:39 | 941 views

BZ Travel團隊花了三天探索柏林。他們在亞歷山大廣場附近的住宅區訂了一間公寓，因為這樣能讓他們更清楚地感受這座城市。這個社區提供多樣的美食選擇和適合步行的街道，是一個實用的基地。從那裡，地鐵、電車和火車連接整個區域。柏林的公共交通被形容為極易使用——有了智慧型手機應用程式，在火車、電車和地鐵之間轉乘既簡單又快速。

2. Introduction & Base

We're exploring Berlin in 3 days. We'll do a canal cruise, visit some historic sites, go to the Brandenburg Gate, and visit Potsdam's Sanssouci Palace. Let's dive in. We usually book apartments in residential areas because they give us a clearer read on the city. On this trip, we stay near Alexanderplatz — close to major transit lines and easy to reach from the airport. There's metros, trams, and trains connecting the entire region from that spot. The neighborhood offers plenty of solid food options and a walkable street, making it a practical base for exploring. The reason we're here in Berlin is because they have a very advanced medical test that I'm going to do. In Germany, they have top-notch doctors and treatment. We have a global health insurance policy — it's good for anywhere in the world, which is perfect for our situation.

柏林不僅僅是觀光之旅——Tresa來這裡進行一項先進的醫療檢查，德國擁有頂尖的醫療體系。他們有一個名為Global Sigma的全球健康保險，涵蓋世界任何地方。這對夫妻解釋說，德國有優秀的醫生和治療，這就是為什麼他們選擇柏林進行這項特殊檢查。這讓人一窺全職旅行和在路上管理健康的實際現實。

3. Canal Cruise

Walking along the river, we checked the tour boards — there's a 1-hour route staying near the center, but the 3-hour option covers more canals and reaches residential areas. We opted for the 3-hour tour. Seeing Museum Island from the water helps me piece together the logic behind this part of Berlin. The canal was mainly used to carry freight, and its shape still hints at the older network that fed this city. The Berlin Cathedral shows that early 20th-century push to give the capital

a ceremonial core. The cluster of museums reflects a whole era when Prussia tried to organize culture in one concentrated spot. From the boat, the layout feels clear — I can see how its past still guides it today. This part of Berlin is the Mitte district, and the riverbanks are very popular with locals and tourists. There is the Friedrichstraße train station — a major hub connecting regional trains, the S-Bahn and the U-Bahn, serving as a gateway into the heart of the city. We roll past Berlin's central station. Then the Reichstag shows up on the left — that old structure alongside the modern bridge stretching toward the new Parliament building. What a contrast between old and new architecture. Right after the Berlin Central, a massive brick complex shows up — Europe's largest university teaching hospital. Moving along the river means leaving the busy center and heading towards Berlin's quieter zones, where you actually catch moments of daily life you wouldn't see otherwise.

三小時的運河遊船提供了柏林獨特的視角。團隊從水面看到博物館島，這有助於理解柏林的這片區域的規劃邏輯。他們經過了柏林大教堂、國會大廈和現代的玻璃立方體建築，它會隨著角度變換光影。進入住宅區時，他們注意到歐洲常見的私有公寓與美國租賃文化的對比。改建成住宅的舊磚造倉庫沿著水道排列。

4. Public Transport & Brandenburg Gate

We just jumped on the metro and came over here. It's so easy to get around this city — we've been taking the trains, trams, and metros. With your app, it's extremely easy to figure out how to get from one place to the other. One thing though: going from the west side to the east side of Berlin, you can definitely tell the difference. Right by the Brandenburg Gate, those crosses and portraits remind you Berlin isn't just sightseeing — it's real stories, real loss. It's a memorial for people who died trying to escape East Berlin. Being here, you don't just pass through. You stop and actually think. The Brandenburg Gate is one of Berlin's main attractions. The area holds significant historic weight — both from World War II destruction and the later division between East and West Berlin. It's a symbol of recovery. Where once stood devastation, now stands unity. Visiting Berlin means confronting these layers: the impact of the war, the wall's legacy, and the broader events in German history.

搭乘公共交通穿越城市時，團隊注意到柏林東西兩側的明顯差異。公共交通效率極高——他們嘗試了地鐵、電車和火車，並在布蘭登堡門附近尋找100號公車。在城門處，十字架和肖像提醒人們柏林不只是觀光——它承載著真實的失落與歷史故事。這座城市的過去至今仍在以細微的方式引導著它。

5. Potsdam: Sanssouci Park & New Palace

Another great thing to do in Berlin is go to the Sanssouci Park, then it's a 10 to 15-minute walk to the New Palace — and we're doing that today. All you have to do is take the train RE1. The train is less than €5. We're at Potsdam's New Palace — the grand showpiece at the end of Sanssouci Park. Built to impress, it's a place where royalty pulled out all the stops. Inside the New Palace, the grotto hall is probably the most unusual room — walls covered in shells, minerals, and stones. It feels more like an art project than a hall fit for kings. The New Palace's interior is renowned for its opulent marble halls. The bedrooms vary from reserved elegance to lavish royal suites with ornate furniture and elaborate textiles. Artworks cover the space, ranging from historical portraits to vibrant landscapes. The major highlight is the abundance of painted ceilings — frescoes depicting mythological themes and royal virtues. From the New Palace, it's a 2-kilometer walk to King Frederick's private residence, his summer palace. It's very pleasant — not too hot, and the trees are gorgeous. All the beautiful fall leaves.

團隊還參觀了波茨坦和無憂宮——腓特烈大帝的前夏宮。這個聯合國教科文組織世界遺產展示了令人驚嘆的洛可可建築和美麗的梯田葡萄園。三天遊柏林雖然短暫，但歷史、建築、高效的交通和世界級的醫療保健使它成為一個獨特而值得的目的地。運河遊船雖然時間長，但讓他們在旅遊中心之外，真正感受到了當地生活。

6. Sanssouci Palace

Sanssouci Palace isn't just a pretty face. It was Frederick the Great's main hangout — he actually lived here, unlike the New Palace which was just for impressive events. These terraced gardens framed his everyday life, not just fancy parties. When you walk through Sanssouci's summer palace, you realize it's not just fancy rooms and show-off gold. The whole place feels like it was meant to actually be lived in. There's a sense of balance in how everything fits together — from the pale gold walls to the striped fabrics that somehow look modern even after centuries. The artwork is organized and connected, with nature creeping through every detail: flowers, animals, even little painted fences. It's less of a display for guests and more of the king's personal escape from formality.

☒ 文法重點 2 點

點選文法點展開說明

關係代名詞 which 的非限定用法

非限定關係子句用逗號隔開，which 指代前面的整個名詞或概念，提供額外資訊而非必要資訊。

This neighborhood offers plenty of solid food options and a walkable street, making it a practical base for exploring the day.

→ 'making it a practical base' = which makes it a practical base → 'which' 指代前面整個情況

[主句], which + V... / [主句], V-ing... → 非限定關係子句

Berlin has excellent public transport, _____ (這使得) easy to get around without a car.

S + V + Adj + enough + to + V 的變化形式

'Good for anywhere' 是 'good enough to be used anywhere' 的簡化版，形容詞直接接 'for + 名詞'。

It's good for anywhere in the world.

→ good for = suitable for → 介系詞 for 直接接 anywhere，表達適用的範圍

S + be + Adj + for + [任意範圍]

This jacket is _____ (適合任何天氣) in spring.
