1. 4 Days in Italy's Best-Kept Secret: The Puglia Region

BZ Travel English Study | video_id: Wt6zlgkLkAg | 17:25 | 17,586 views

在巴里、波利尼亞諾、莫諾波利、馬泰拉和阿爾塔穆拉度過了整整三天之後，我們以為自己已經了解這個地區了。我們以為自己對這裡有了感覺——石灰岩小鎮、鵝卵石街道、義大利生活節奏放慢到近乎人性的步調。然後萊切出現了。萊切坐落在義大利靴子後跟的最底部——比大多數人願意去的地方還要更南。它是那種不會出現在短期行程中的地方。正因為這個原因，它會回報那些願意付出努力的人。我們給了它四天的時間。結果四天只是勉強夠用。前往萊切很簡單：從巴里搭火車，舒適又方便。鄉村景色從車窗外掠過——乾石牆、橄欖樹、薩倫托平坦開闊的平原向四面八方延伸。但抵達萊切的時候，故事才開始變得真實。我們拖著行李，依賴Google Maps步行前往歷史中心。我跟你直說吧——最初的幾分鐘完全不是我們預期的樣子。進城的路很粗糙——部分破損的柏油路、牆上有些塗鴉、商店不多、沒什麼魅力。我記得自己當時在想：我們是不是搞錯了？然後漸漸地，幾乎沒有一個明確的轉變時刻，事情開始發生變化。柏油路變成了鵝卵石。幾家精品店出現了。街道變窄，變成了某種美麗的古樸風貌。然後視野突然開闊了——一個寬闊的廣場、一座紀念碑，就在歷史中心的中央，一座羅馬圓形劇場——不是複製品，不是重建品，而是真正的石砌座位，兩千年的歷史，坐落在一個活生生的義大利城市中心，就像它本來就屬於那裡一樣。我們的公寓就在那裡，面向著圓形劇場。有些地點是你無法計劃的——你只能靠運氣。午安。我們剛到萊切，你——

2. Introduction: Arriving in Lecce

After three full days in Bari, Polignano, Monopoli, Matera, and Altamura, we thought we understood this region. We thought we had a feel for it — the limestone towns, the cobblestone streets, the rhythm of Italian life slowing to something almost human. And then Lecce happened. Lecce sits at the very bottom of the heel of Italy's boot. Further south than most people think to go. The kind of place that doesn't appear on the quick itinerary. And for that reason alone, it rewards the people who make the effort. We gave it four days. Four days turned out to be just barely enough. Getting to Lecce was simple enough — a train from Bari, comfortable, easy. But arriving, that's where the story gets honest. The first few minutes were not exactly what we expected. The road into town was rough. Partially broken asphalt, a little graffiti, not much charm. Did we make a mistake? And then gradually, almost without a clear moment of transition, things started to shift. The asphalt gave way to cobblestone. A few boutiques appeared. And then the view opened — wide open.

A piazza, a monument, and right there in the center, a Roman amphitheater. Not a replica, not a reconstruction. The actual stone seating of a Roman amphitheater, 2,000 years old, sitting in the center of a living Italian city like it belongs there.

一個開關。連浴室都有觸控面板控制水，沒錯，馬桶也是。這是我們在普利亞南部的根據地。萊切有一個別名，我們花了一段時間才完全理解——人們稱它為「南方的佛羅倫斯」。它看起來不像佛羅倫斯——真的不像。但在1630年到18世紀末之間，這裡發生的建築成就如此非凡，以至於歷史學家用盡了比較對象，最終只能想到他們所知道的最偉大的城市：佛羅倫斯。1571年勒班陀戰役之後，基督教海軍擊敗了鄂圖曼艦隊，薩倫托的人民幾代人以來第一次感到不受侵略的威脅。數十年來一直困擾這片海岸的土耳其突襲突然停止了。當人們終於感到安全的時候，他們就會開始建造。新的修會來到萊切——耶穌會、戴蒂尼會——它們開始透過建築互相競爭：誰能建造更宏偉的教堂？誰能委託創作更精緻的外牆？讓萊切版本的建築完全獨一無二的只有一件事——石材。Pietra Leccese——萊切石。這是一種當地的石灰岩，質地柔軟到雕刻家可以像雕刻木材一樣雕刻它，但在接觸空氣後會隨著時間的推移而硬化。它可以被加工得異常精細。城中心的羅馬圓形劇場是在1901年意外發現的——當時工人正在為一棟新建築挖掘地基。廣場下方是一座可容納兩萬人的圓形劇場。我們今天看到的只是一小部分，其餘部分仍然埋藏在廣場和城市建築的下方。一整座羅馬城市仍然幾乎完好無損地躺在我們腳下。圓形劇場所在的聖奧龍佐廣場上矗立著聖奧龍佐紀念柱，咖啡館沿著廣場邊緣排列。萊切是一座擁有兩千年歷史的活生生的城市。萊切的馬賽克標誌就在——

3. Our Apartment

Good afternoon. We just arrived in Lecce, and you're not going to believe this beautiful Airbnb we got. One thing we like about Airbnbs or apartments is you have a lot of room to roam around. We're here for four nights. So, we're going to be very comfortable here. It's all renovated. It's incredible this — he used marble and onyx all over the place. And the view — right in front of the amphitheater. So, this is We're directly in the center of the of th — even the bathroom had a touch panel for the water, and yes, the toilet too. This is our home base for the south of Puglia.

技術，以同樣的傳統製作人像和裝飾。這是一門從貧困中誕生、最終成為藝術形式的手藝。我們去過很多教堂，見過很多外牆——到目前為止，我們已經發展出某種接近「教堂疲勞」的狀態，也就是一座華麗的入口開始模糊成下一座的那個臨界點。但聖十字教堂不允許你這樣。它強行索取你的注意力，不管你願不願意。它的外牆令人震撼。玫瑰窗雕刻得如此精緻繁複，以至於看起來幾乎不可能是手工製作的。在它周圍，是一個密集而繁茂的雕刻世界——聖徒、動物、神話生物、天使、裝飾性植物、慶祝基督教在勒班陀勝利的凱旋意象——層層疊疊，無窮無盡。每次你以為自己已經看完了全部，你又会注意到新的東西。它花了一百多年才建成——一百年的石匠在細節上添加細節，將作品一代一代地傳承下去。從圓形劇場步行不遠，穿過狹窄的主要步行街，就到了大教堂廣場。廣場四面被巴洛克建築環繞——一側是大教堂，另一側是主教宮，第三側是擁有宏偉涼廊的神學院。這個空間幾乎像劇場——

樣——彷彿它不只是為了安置一座教堂而設計，而是為了給人留下深刻印象。鐘樓是整個薩倫托最高的，高達70公尺。從2022年開始，這裡有了電梯——我們很慶幸不用爬樓梯。從頂端俯瞰，你可以看到舊城區的完整幾何結構在你腳下展開——緊湊的中世紀街道規劃、巴洛克教堂，然後越過舊城牆，現代的萊切市區向四面八方延伸。這是一個停下來喘口氣、理解我們身在何處的好地方。隔壁博物館的內部以一種我們意想不到的方式讓我們停下了腳步。引起我們注意的那尊雕像——

4. The Florence of the South

Lecce carries a nickname that took us a while to fully understand: the Florence of the South. It doesn't look like Florence. What happened here architecturally between 1630 and the end of the 1700s was so unusual that historians ran out of comparisons and reached for the greatest city they knew. After the Battle of Lepanto in 1571, when the Christian navies defeated the Ottoman fleet, the people of Salento finally felt safe from invasion for the first time in generations. And when people finally feel safe, they build. New religious orders arrived in Lecce — the Jesuits, the Theatines — and they began competing with each other through architecture. What made Lecce's version unique was the stone: Pietra Leccese, a local limestone so soft a sculptor could carve it almost like wood, yet hardening over time when exposed to air.

它只是一個正常運作的義大利城市——超市、交通、藥局，那種平凡的日常生活，在花了那麼多小時欣賞非凡事物之後，反而讓人感到放鬆。我們以萊切為據點探索周邊地區，就像之前以巴里為據點一樣。第一天的行程帶我們去了一個幾乎沒有義大利以外的人聽說過的小鎮——加拉蒂納。安靜、小巧、遊客不多。我們喜歡這樣的地方——越不觀光化的體驗，我們越喜歡。我們覺得自己真的身在某個地方。把我們帶到加拉蒂納的是聖凱瑟琳大教堂。從外面看，我們完全無法預測裡面有什麼在等著我們。內部每一公分都覆蓋著壁畫。你的眼睛不知道該往哪裡看——牆壁、天花板、拱頂、柱子，從上到下全部彩繪著聖經場景、聖凱瑟琳的生平、啟示錄、創世記的故事。就像有人把一整本插圖聖經放進了一個房間裡——全部繪於15世紀。然後我們在一幅特定的壁畫前停了下來——一個描繪女性乳房被割下的場景。畫面寫實、令人震驚，讓人無法就這麼走過去。這是西西里的聖阿加莎——早期基督教殉道者之一，因拒絕放棄信仰而遭受了這樣的酷刑。在鎮中心，我們停下來品嚐了萊切咖啡——加冰沖泡，配上一點杏仁奶糖漿，是義大利這個角落特有的飲料。我們來試試當地的咖啡和當地的糕點。這是一種冰咖啡，但加了杏仁奶——它有點甜，但實際上嚐起來像杏仁利口酒，不像杏仁奶。這裡的糕點是本地特產——一個是櫻桃口味，另一個是奶油口味。來吧，嚐嚐這個櫻桃的——哦，你看，裡面有檸檬餡——

5. The Roman Amphitheater

The Roman amphitheater in the center of town was discovered by accident in 1901 while workers were digging the foundation for a new building. Underneath the piazza is an amphitheater with seating for 20,000 people. What we see today is only a small portion — the rest is still buried beneath the square. An entire Roman city still lies largely undisturbed just beneath our feet. Piazza Sant'Oronzo is where the amphitheater sits and where the column of Saint Oronzo rises. Cafes line the edges of the square. The mosaic emblem of Lecce right in the center depicts the city's coat of arms: a wolf beneath an oak tree.

融合了舊約聖經、基督生平、亞瑟王、亞歷山大大帝、神話動物、黃道十二宮符號和中世紀日常生活場景。曾經繪製在這裡的壁畫在鄂圖曼人來臨時被摧毀了——他們把大教堂當作清真寺使用。那次入侵發生在1480年：150艘船搭載著18,000名士兵登陸在這片海岸。城市抵抗了兩週。當城牆最終淪陷時，婦女和兒童被奴役或殺害。倖存的男性——813人——被帶到城外的一座小山上，面臨一個選擇：改信伊斯蘭教，或者死。這813名男性——他們的遺骨就在大教堂裡。在殉道者禮拜堂裡，七個大型玻璃陳列櫃展示著他們的頭骨和骨骼。它們被精心而刻意地排列著，面向外方。一路走到海邊。風很大，但水面上的光線很美。我們可以想像這裡夏天的樣子——熙熙攘攘、充滿生機，也許太過擁擠了。從奧特朗托出發，我們沿著壯麗的海岸線向南行駛——尖銳的石灰岩懸崖直插入亞得里亞海。沿著懸崖邊緣，每隔幾公里就有一座塔樓。這些瞭望塔——數十座，部分仍然矗立——建於15至17世紀，是這片海岸的早期預警系統。每座塔樓的位置都能被海岸線上的下一座塔樓看到，形成了一條信號鏈。我們經過了卡斯特羅——一座直接懸在海面上的小型戲劇性城鎮——一路開到了聖瑪利亞迪萊烏卡，靴子的最尖端、普利亞的最南端、亞得里亞海和愛奧尼亞海交匯的地方。沿著愛奧尼亞海岸返回萊切的路上，我們在加利波利停留——一座幾乎完全建在島上的中世紀漁村，由一座橋樑與大陸相連。我們沿著舊城牆走了一圈，眺望愛奧尼亞海，然後——

6. Church of Santa Chiara & Papier-Mâché

Of all the churches in Lecce's historic center, the one that surprised us most quietly is the Church of Santa Chiara. From the outside, elaborate. From the inside, equally elaborate. But what everything was actually made of? Papier-mâché. Every carved detail, every gilded frame, every surface that looked like wood or carved stone — all of it, papier-mâché. Made by craftsmen who had neither the money for marble nor the stone for carving, and so they invented their own techniques, making figures and decorations in the same tradition. It is a craft born from poverty that became an art form.

7. Santa Croce Basilica

We have been to a lot of churches. By this point in our travels, we have developed something close to church fatigue. Santa Croce does not allow for that. The facade is overwhelming — a rose window so intricately carved it seems physically impossible to have been made by hand. Around it, a dense, exuberant world of carved figures: saints, animals, mythological creatures, angels, decorative vegetables, triumphal imagery celebrating the Christian victory at Lepanto. It goes on and on. Every time you think you've taken it all in, you notice something new. It took over a hundred years to build. 100 years of stonemasons adding details to details, passing the work from generation to generation.

8. Piazza del Duomo & Bell Tower

A short walk from the amphitheater through the narrow main walking street is the Piazza del Duomo — surrounded on all sides by Baroque buildings. The cathedral on one side, the bishop's palace on another, the seminary with its magnificent loggia on the third. The space feels almost theatrical, designed not just as a place to put a church, but as a place to make an impression. The bell tower is the tallest in all of Salento, standing 70 meters. As of 2022, there is an elevator — we were glad not to have to climb the stairs. From the top, you see the full geometry of the old city laid out below, the tight medieval street plan, the Baroque churches, and beyond the old walls, the modern city of Lecce spreading out in every direction.

9. Day Trip: Galatina

We used Lecce as our base for the surrounding region. The first day trip took us to Galatina — quiet, small, not many tourists. We like those places. What brought us to Galatina was the Basilica of Santa Caterina. From the outside, we would not have predicted what was waiting for us inside. Every centimeter of the interior is covered in frescoes. Walls, ceiling, vaults, columns — everything painted top to bottom in scenes from the Bible, the life of St. Catherine, the Book of Revelation, the story of creation. Like someone took the entire illustrated Bible and put it inside a single room, all painted in the 15th century. In the center of town, we stopped for the lecce coffee — poured over ice with a splash of almond milk syrup, a drink so particular to this corner of Italy.

10. Day Trip: Otranto

Otranto captured our hearts. It sits on the Adriatic — the easternmost town in Italy, the point of land that faces Albania across the water. The town has a Greek quality to it. The white walls, the narrow streets, the sea visible from everywhere. The cathedral floor mosaic is one of the most extraordinary things we have ever seen. Covering the entire nave — combining the Old Testament, the life of Christ, King Arthur, Alexander the Great, mythological animals, the signs of the zodiac, and scenes of daily medieval life. The frescoes that were painted here were destroyed when the Ottomans came in 1480. 150 ships, 18,000 soldiers. The city resisted for two weeks. When the walls finally fell, the women and children were enslaved or killed. The men who survived — 813 of them — were taken to a hill outside the city and given a choice: convert to Islam or die. Those 813 men's bones are in the cathedral, in the Chapel of the Martyrs, in seven large glass cases, arranged carefully, deliberately, facing outward.

11. The Adriatic Coastline & Gallipoli

From Otranto, we drove south along the dramatic coastline — sharp limestone cliffs dropping straight into the Adriatic, and every few kilometers along the cliff edge, a watchtower. Dozens of them, still partially standing, built between the 15th and 17th centuries as the early warning system of this coast — each positioned so it was visible from the next, creating a chain of signals. We passed Castro and drove all the way to Santa Maria di Leuca, the very tip of the heel, the southernmost point of Puglia, where the Adriatic and the Ionian Sea meet. Making our way back along the Ionian coast, we stopped in Gallipoli — a medieval fishing town built almost entirely on an island, connected to the mainland by a single bridge. Fishing boats in the harbor, the smell of the sea in the wind.

(翻譯待更新)

12. Closing Thoughts

Puglia is not a flashy region. It doesn't have Rome's command or Tuscany's fame. It doesn't try to overwhelm you. What it does instead is accumulate. A bakery that has been making bread in the same oven for 900 years, an amphitheater buried under a city center. Puglia rewards the decision to stay a little longer than you planned, to take the train to the small town nobody mentioned. If you enjoyed what you saw here, there is more — much more — waiting for you in the next video.

☒精選字彙 20 字

從文章中挑選的核心單字

- 1theory/'θɪri/ (名) 理論；說法
- 2reasonable/'rizənəbəl/ (形) 合理的
- 3extraordinary/ɪk'strɔːrdə,nəri/ (形) 非凡的
- 4security/sə'kjʊrəti/ (名) 安全；保全
- 5flagship/'flægʃɪp/ (名) 旗艦店
- 6drone/droʊn/ (名) 無人機
- 7precisely/prɪ'saɪsli/ (副) 精確地
- 8infrastructure/'ɪnfə,straʊktʃər/ (名) 基礎建設
- 9revolution/,revə'lʊʃən/ (名) 革命
- 10autonomous/ɔː'tanəməs/ (形) 自動的；自主的
- 11dominate/'dɒmə,net/ (動) 主導；支配
- 12commute/kə'mjʊt/ (名/動) 通勤
- 13retirement/rɪ'taɪərmənt/ (名) 退休
- 14pension/'penʃən/ (名) 退休金；養老金
- 15unexpected/,ʌnɪk'spektɪd/ (形) 出乎意料的
- 16genuine/'dʒenjuɪn/ (形) 真誠的；真正的
- 17perspective/pər'spektɪv/ (名) 觀點；視角
- 18contradiction/,kəntrə'dɪkʃən/ (名) 矛盾
- 19prosperity/prə'sperəti/ (名) 繁榮
- 20unfiltered/ʌn'fɪltəd/ (形) 未過濾的；真實的

id="section-collocations" class="section">

☒實用搭配詞 8 組

1. best-kept secret

鮮為人知的秘密；隱藏的好去處

文中例句

"Lecce is Italy's best-kept secret in the Puglia region."

This small town is a _____ that few tourists know about.

2. reward the effort

回報付出的努力

文中例句

"Lecce rewards the people who make the effort to visit."

The hike was difficult, but the view at the top _____.

3. barely enough

勉強足夠；僅僅夠

文中例句

"Four days turned out to be just barely enough."

One hour was _____ to see the entire museum.

4. I'll be straight with you

跟你直說；老實告訴你

文中例句

"I'll be straight with you — the first few minutes were not what we expected."

_____, this restaurant is not as good as people say.

5. give way to

讓位於；轉變為

文中例句

"The asphalt gave way to cobblestone streets."

As we walked further, the modern buildings _____ historic houses.

6. right in the middle of

就在...的正中央

文中例句

"A Roman amphitheater, right in the middle of the historic center."

There's a beautiful fountain _____ the square.

7. the kind of place that

那種...的地方

文中例句

"The kind of place that doesn't appear on the quick itinerary."

This café is _____ makes you want to stay all afternoon.

8. the story gets honest

故事開始變得真實；不再修飾

文中例句

"Arriving in Lecce, that's where the story gets honest."

When I saw the actual living conditions, _____.

☒ 文法重點 2 點

點選文法點展開說明

Past Simple vs Past Continuous for Scene Setting

簡單過去式和過去進行式結合使用，用於描述背景和發生的具體事件。過去進行式 (was/were + verb-ing) 用來設置場景，而簡單過去式則用於描述在該背景下發生的具體事件。

We were following Google Maps on foot, pulling our luggage, heading toward the historic center.

使用過去進行式 (were following, pulling, heading) 來描述當時正在進行的連續動作，營造出畫面感。

Subject + was/were + verb-ing... (background action)

We thought we had a feel for it. And then Lecce happened.

'Lecce happened' 使用簡單過去式，表示一個突然發生的事件，打斷了之前的狀態。這種對比很有效。

Subject + thought + clause... And then [event] happened.

將以下句子改寫，使用過去進行式設置背景：'We walked through the city. We saw a Roman amphitheater.'

Gradual Transition Expressions

表達逐漸變化的詞彙和句型，用於描述緩慢的轉變過程。影片中用 'gradually'、'almost without a clear moment of transition' 和 'things started to shift' 來強調變化的漸進性。

And gradually, almost without a clear moment of transition, things started to shift.

使用 'gradually' 和 'almost without a clear moment of transition' 兩個詞組強調變化是緩慢且不易察覺的。'started to shift' 表示開始變化的過程。

Gradually, almost without [a clear moment / a specific point] of [transition / change], [subject] started to [verb].

The asphalt gave way to cobblestone. A few boutiques appeared. Then the streets narrowed into something beautifully old.

連續使用三個簡單過去式的句子來描述漸進的變化，每個句子都推進了一步，透過具體的細節 (asphalt→cobblestone, boutiques appeared, streets narrowed) 展現變化。

[First thing] gave way to [second thing]. [New element] appeared. Then [subject] [verb + into] [new state].

使用 'gradually' 和 'started to shift' 描述一個城市從工業區轉變為藝術區的過程。

☒ 關鍵句型 4 組

點選句型展開範例與練習

[Subject] sits at the very [location] of [geographical feature]

某物位於某地理特徵的最某處

Lecce sits at the very bottom of the heel of Italy's boot.

[City/Place] sits at the very [top/bottom/edge] of [region/peninsula/island].

用這個句型描述一個你熟悉的地理位置。

Further [direction] than most people think to [verb]

比大多數人認為的還要某方向

Further south than most people think to go.

Further [north/south/east/west] than most people think to [go/travel/venture].

用這個句型描述一個比較偏遠的地方。

Did we make a mistake? And then, [event]

我們是不是做錯了？然後...（轉折）

Did we make a mistake? And gradually, things started to shift.

Did I/we make a mistake? And [then/gradually], [positive turn of events].

用這個句型描述一個從懷疑到驚喜的轉變。

Not a [noun], not a [noun] — [real thing]

不是某物，不是某物——而是真品

Not a replica, not a reconstruction — the real thing.

Not a [fake/replica/copy], not a [model/imitation] — [the real thing / authentic version].

用這個句型強調某物是真品。
