1. Exploring LIMA Like a Local

為了真正了解利馬的脈動，旅客聘請了一位私人導遊來帶他們參觀城市最著名的景點。和當地人一起探索城市無疑是最棒的方式——那種人與人之間的連結是無可取代的。他們不是跟著旗子走，也不是擠在遊覽車上看風景，而是透過一個對城市瞭若指掌的人的眼睛來體驗利馬。旅程從令人屏息的愛情公園開始，它坐落在俯瞰太平洋的懸崖上。

2. Introduction & Love Park

Join us today for an incredible tour of Lima, Peru. We'll be tasting authentic Pisco, wandering through the historic city center, exploring bohemian neighborhoods, and taking in the breathtaking Love Park. To truly understand the heartbeat of the culture, we hired a private guide to show us Lima's most famous spots. Welcome to the Love Park, a romantic place. We had a Peruvian artist called Víctor Delfín. This Peruvian artist traveled around the world. But when he arrived in Spain, Barcelona, he fell in love with the Güell Park in Barcelona. When this Peruvian artist Víctor Delfín came back to Peru, he decided to use this place to make a similar park. Park del Amor, or the Love Park, is arguably Lima's top destination. It's nestled right on top of a cliff, offering sweeping, incredible views of the Pacific Ocean and the upscale Miraflores neighborhood. The park features colorful undulating walls covered in beautiful mosaics, and each tile design carries a different meaning about life and romance. Right in the center, the space is dominated by a massive passionate sculpture called El Beso — The Kiss.

愛情公園可以說是利馬的頂級景點。它坐落在高檔的米拉弗洛雷斯區的懸崖上，享有太平洋的遼闊景觀。公園擁有色彩繽紛的波浪狀牆面，覆蓋著美麗的馬賽克，每個瓷磚設計都承載著關於生活和愛情的不同含義。戀人們來到這裡，在欄杆上鎖上掛鎖，然後把鑰匙丟掉。公園中央矗立著一座名為「吻」的巨大雕塑。附近的米拉弗洛雷斯區安全、純淨，充滿了綠意盎然的公園、豪華酒店和高級餐廳。

3. Miraflores & Ocean Life

Miraflores is probably the most prestigious and prosperous district in Lima. It's incredibly safe, pristine, and beautiful — featuring lush parks, luxury five-star hotels,

high-end restaurants, and the famous Larcomar Shopping Mall. But there is, of course, another side to Lima. Further out, you'll find much poorer favela-style neighborhoods that traditional tourists rarely ever see. And this cold water has a lot of seaweed, and the seaweed gives the color green to the ocean. The seaweed is the food of a small fish, and a small fish is the food of bigger fish. We have more than 700 kinds of fish here, and the water is cold — 16 degrees Celsius in winter, 24 in summer.

接下來，他們參觀了巴蘭科——利馬的波希米亞之心。這個充滿活力的街區歷來是城市藝術家和知識分子的家園。街道上布滿了引人注目的壁畫和舒適的咖啡館。每一面牆都在訴說著不同的故事。藝術家直接在街頭作畫，讓每個路過的人都能欣賞他們的作品。這裡著名的地標是嘆息橋。當地傳說，如果你能屏住呼吸走完整座橋並許個願望，那個願望就會實現。

4. Barranco: The Bohemian District

Next, the bohemian heart of Lima, the Barranco district. It's located right next to Miraflores. This vibrant neighborhood has historically been home to the city's artists and intellectuals — packed with striking street murals and cozy cafes. The buildings here have a much more traditional colonial feel. There are countless murals scattered around Barranco and every single wall tells a different story. Artists paint directly on the streets to make their work completely accessible, sharing local history and culture with everyone who walks by. Right in front of us is the famous Puente de los Suspiros — the Bridge of Sighs. Local legend says that if you can hold your breath the entire time you cross the bridge and make a wish, that wish will come true. I managed to hold my breath all the way across. The final verdict — my wish is definitely coming true. As for Zarko, he didn't quite make it without taking a breath. Better luck next time.

繼續深入利馬歷史中心，旅客經過了令人印象深刻的司法宮和著名的玻利瓦爾大飯店。這家歷史悠久的飯店接待過許多著名賓客，包括約翰·F·甘迺迪、理查·尼克森、厄尼斯特·海明威、約翰·韋恩和克拉克·蓋博。大廳有著精緻的石雕、宏偉的大理石柱，以及一個壯觀的彩繪玻璃穹頂，美麗地過濾了秘魯的燦爛陽光。古董登記簿和復古電梯讓人一窺那個已逝去的奢華旅行年代。

5. Local Food & Drinks

This drink is so healthy. In a cooking pot, you put the corn — the yellow — no, the pineapple, red and green apple, passion fruit — and you boil together. And you get this drink. It's made with fermented corn. They use corn a lot here.

造訪秘魯不能不品嚐皮斯可酒——一種蒸餾葡萄烈酒。旅客進行了一場正式的皮斯可品酒會，品嚐了多種不同風味，包括著名的皮斯可酸酒。接著他們參觀了武器廣場，這個主要廣場的歷史可追溯到1535年。廣場周圍是明亮的黃色殖民建築，有深色木製陽台，廣場上有總統府和埋葬著法蘭西斯科·皮薩羅的利馬大教堂。一座巨大的前印加土坯建築群——普克拉納遺址——就矗立在現代城市中心，令人驚嘆地提醒著人們秘魯層層累積的歷史。

6. Historic Lima City Center

Continuing our tour, we head into the historic Lima City Center. The stunning building on our right is the Palace of Justice — impressive classical European architecture. You'd be forgiven for thinking it was plucked straight out of Paris. Perhaps the most famous hotel in the entire city is the historic Gran Hotel Bolívar. This place has hosted an incredible roster of famous guests — John F. Kennedy, Richard Nixon, Ernest Hemingway, John Wayne, and Clark Gable. The hotel lobby is absolutely magnificent, featuring intricate stonework and grand marble columns. The true showstopper is when you look up at the spectacular stained glass dome, which beautifully filters the bright Peruvian sunlight. The hotel faces Plaza San Martín, arguably the second most important square in Lima. The focal point is the bronze monument dedicated to José de San Martín — famous for liberating Peru, Argentina, and other parts of South America from Spanish rule.

7. Pisco Tasting & Plaza de Armas

When you're in Peru, trying Pisco is an absolute must. It's a distilled grape spirit very similar to Italian grappa or our own Bulgarian rakia. But instead of drinking it straight, Peruvians masterly blend it into cocktails. The most famous, of course, is the Pisco Sour. We decided to do a proper Pisco tasting so we could sample a few different variations. So here we are right in the middle of the action, Plaza de Armas — the main square in Lima, the historic core of the City of Kings, dating all the way back to 1535. The presidential palace sits on one side with a huge fence around it, mainly because the square gets pretty lively with protests and political rallies. Over on the right is the Lima Cathedral — absolutely massive, packed with history, and actually where Francisco Pizarro was buried. The coolest part is looking at these bright yellow colonial buildings with amazing dark wooden balconies — a really cool Spanish Moorish vibe. Right in the middle of the modern city: Huaca Pucllana.

This is a massive towering pre-Inca archaeological complex made entirely of adobe mud bricks.

8. Closing Thoughts

That wraps up our time in Lima. Join us in our next video as we catch a flight high up into the breathtaking Andes mountains. We'll be exploring the historic Inca capital of Cusco, visiting a traditional potato farming and craft community, and hanging out with some adorable alpacas. You won't want to miss it.

☒ 文法重點 2 點

點選文法點展開說明

不定詞片語表達目的 — To truly understand..., S + V...

不定詞片語放在句首可以表達目的，等於 In order to...。這是一種正式的寫作結構，用來強調行動的動機。

To truly understand the heartbeat of the culture, we hired a private guide.

→ 'To truly understand' = In order to truly understand → 句首不定詞強調目的，主句說明採取的行動

To + V..., S + V... → 「為了...，主詞做...」

_____ (為了真正體驗當地生活), you should stay in a residential neighborhood.

你以為...其實不然 — You'd be forgiven for thinking that..., but...

這個句型用來表達「如果某人這樣想是可以理解的」，先承認對方的合理假設，再提出反轉的事實。

You'd be forgiven for thinking it was plucked straight out of Paris.

→ 先承認建築看起來像巴黎搬來的→暗示其實是在利馬 → You'd be forgiven for = 你這樣想是可以被原諒的

You'd be forgiven for thinking + that 子句

_____ (你會以為這是在歐洲) when you see the architecture.
